OFFICIAL INVITATION AND GENERAL INFORMATION!

To: ITF Members

Subject: International Instructor Course, Budapest – Hungary 2010

Dear Masters, Instructors and Taekwon-do practitioners!

We have the honour to invite You to the 2010 September IIC to be held in Budapest. Our beautiful Hungarian Capital hosted many great TKD events during the past three decades, such as the 1984 AETF European Championships and the unforgettable 1988 ITF World Championships.

Our early days International Seminars and training camps arranged by the Hungarian TKD was conducted at that time personally by Gen. Choi Hong Hi and became world famous. Now it's a great honour to us again to organize the 2010 September IIC under the leadership of such superior Taekwon-do performers and Internationally recognized masters like Héctor Marano, Pablo Trajtenberg and Wim Bos!

Our cordially thanks goes to the Technical Committee of the ITF:

Grandmaster Héctor Marano IX.Dan
ITF Chairman, Technical Committee
Argentina

Grandmaster Pablo Trajtenberg IX.Dan
ITF Senior Vice-President
Argentina

Grandmaster Willem Jacob Bos IX.Dan
ITF Secretary General, Italy

The IIC seminar will be characterized by it's new dynamic way where the participation of attendants during the different subjects will be highly active. The standardization and unification of all the different techniques is not only necessary, but also a must for every true TKD practitioners in the world... However, the great International experience of the ITF Technical Committee will allow us to expand our Taekwon-do knowledge to the highest level. This is an opportunity we should all take a part of!

-Some informations about the local circumstances-
